Dear Mr. Ambassador:

Attached please find enclosures from Congressman Burton's constituent, [redacted] concerning his fiancee, Miss Tina Lynne Grimm, a U. S. citizen also of San Rafael. Miss Grimm is presently at the People's Temple establishment in Jonestown, Guyana.

[redacted] is very concerned because, as he explains, his fiancee intended to return two weeks after her departure from the U.S. to be married. She has now been away more than two months and [redacted] has reason to believe she may be being held against her will. Her intent was apparently only to visit her mother, Sue Grimm, in Jonestown.

As [redacted] has had difficulty in getting communications to his fiancee, Congressman Burton would appreciate your contacting Miss Grimm to determine she is at Jonestown, that she is well, and to please deliver the attached personal letter to her.

Congressman Burton looks forward to your response on the welfare and whereabouts of Miss Grimm. Please send this information to Mr. Burton's San Francisco office. Thank you very much for your cooperation in this matter.

Sincerely,

LISA S. GONZALEZ
Assistant
